About CAVERS

A collapsing farm house sits atop a wondrous cavern with the potential to make the American Dream a reality. Unfortunately, it's filled with cave monkeys, evolution, messy property rights, and other human beings. Can dreams still come true? This world-premier focuses on the absurdity of being human and the dreams we all have inside.

About Nu Sass Productions

Nu Sass Productions is a female-oriented dramatic production company in Washington, DC. Nu Sass strives to offer challenging and dynamic roles to women in all aspects of theatre, and to encourage women in the arts. Past productions include Rosencrantz & Guildenstern Are Dead (2009 Capital Fringe Festival) and Art (presented at Playbill Café, February 2010).
